

1984 Lincoln Mark VII LSC Model Specifications

The 1984 Lincoln Mark VII LSC is calibrated for close communication between the road and the driver. It's air suspension system has been reengineered for even higher engineering characteristics than is inherent in other Lincoln Mark VII models; it's power-assisted rack and pinion steering has been adjusted for quick response; it's unique tires – husky P215/65R15 steel belted sidewall Goodyears – are mounted on special 15x6 inch aluminum road wheels. The standard engine for LSC is the powerful 5.0 liter V-8. It's performance is enhanced by the precision of Electronic Fuel Injection, the Electronic Engine Control system (EEC-IV), and the smooth shifting four-speed automatic overdrive transmission. Later in this model year, the LSC, like all Lincoln Mark VII's, will be available with an optional 2.4 liter six-cylinder turbo diesel engine.

FACTORY PRICE:

\$23,706.00

SPECIFICATIONS:

brakes - four wheel disc brakes
body construction - unibody
engine

gas

CFI (Central Fuel Injection) 1984-1986
90 degree
block - cast iron
bore and stroke - 4.00 x 3.00 inch
braking horse power - 140 @ 3200 rpms
compression ratio - 8.4:1

cubic inch displacement - 302 (5.0 liters)

head - cast iron

main bearings - 5

overhead valve

throttle body - fuel injection

torque 250 lbs at 1600 rpms

V-8

valve lifters - hydraulic

Vehicle Identification Number class - F

fuel tank - 22.3 US gallons

height - 54.0 inches (4 feet 6 inches)

length - 202.8 inches (16 feet 10 inches)

steering - rack and pinion

suspension

front modified MacPherson struts with anti-sway bar

rear rigid axle with gas-pressurized shocks

three point sensing four point auto-leveling air springs

tire - P215/65 R15 BSW Goodyear Eagle GT

transmission

four speed automatic with overdrive

gears

1st 2.40:1

2nd 1.47:1

3rd 1.00:1

4th 0.67:1

rev 2.00:1

transaxle - 3.27:1

tread

front - 58.4 inches (4 feet 9 inches)

rear - 59.0 inches (4 feet 11 inches)

weight - 3500 pounds

wheelbase - 108.5 (9 feet 1 inch)

width - 70.9 inches (5 feet 11 inches)

STANDARD EQUIPMENT:

302 cubic inch (4.9488922 liters) displacement gasoline engine

automatic temperature air conditioning

cast aluminum wheels with center hub ornament

dual electric remote control mirrors

electric rear defroster

electronic AM/FM stereo search radio

fog lamps (Marchal)

forged aluminum wheels

four speed automatic overdrive transmission

four wheel disc brakes

illuminated entry system

interval wipers

keyless entry

leather seats

locking (latching) gas door with remote release

MacPherson strut with anti-sway bar front suspension
P215/65R15 white side wall tires
power door locks
power windows
rack and pinion steering
rear rigid axle with gas-pressurized shocks rear suspension
six way power driver's seat
speed control
three point sensing four point auto-leveling air spring suspension
tilt steering
tinted upper windshield

OPTIONAL EQUIPMENT:

anti-theft alarm - \$190.00
automatic dimming day/night rear view mirror - \$89.00
brushed aluminum lower body side molding - \$74.00
compass/thermometer group - \$191.00
conventional spare tire - \$121.00
dual heated outside mirrors - \$49.00
dual heated seats - \$159.00
electronic AM/FM radio with cassette or 8-track - \$170.00
garage door opener - \$140.00
keyless entry - \$205.00
leather wrapped steering wheel - \$99.00
license plate frame, front - \$11.00
license plate frame, front and rear - \$22.00
lighted visor vanity mirrors, pair - \$156.00
Moondust paint - \$263.00
portable CB - \$154.00
power decklid pull down - \$79.00
power glass moonroof - \$1289.00
premium JBL sound system with amplifier - \$206.00
puncture sealant whitewall tires - \$180.00
six way power seats with dual recliners - \$225.00
six way power seats with power recliners - \$416.00
Traction-Lok Differential - \$96.00
vent windows - \$73.00
vinyl insert lower body side molding - \$70.00
wire spoke aluminum wheels - \$686.00
