

Lincoln Mark VII Gianni Versace Model 1984-1985

© The Lincoln Mark VII Club, Inc

1984 Gianni Versace Designer Series was very well crafted and had a host of special trim pieces. The Versace edition Mark is probably the more understated of the Lincoln Mark VII line. The Versace model added unique stitched seats to the base Mark, there were no buttons or gigantic cushions on this model. The Versace name was placed on the dash near the steering wheel and was etched on each quarter window in gold leaf.
